ASSOCIATED PRESS TELEGRAM

London, Sept. 29.—Two German  
airplanes which took part in last  
night's raid over the southeast  
coast of England were brought  
down, it is announced officially. No  
casualties were caused by the raid.The following official announce-  
ment was made:"Lord French, commander of the  
home defense, reports that the  
latest information indicates that  
about twenty enemy machines par-  
ticipated in last night's raid. Bombs  
were dropped in a number of places  
in Kent, Essex and Suffolk, but no  
casualties and only insignificant  
damage had been reported up to the  
present. Repeated attacks were  
made on London, but in no case did the raiders penetrate the  
outer defenses."One enemy airplane is reported  
to have been shot down in the  
Thames estuary and a second one  
on the coast.""The successful operation of the  
British aerial defenses in the frus-  
tration of three attempts of Ger-  
man raiders to reach London last  
night and the destruction of at least  
two Goths on the coast lead to the  
hope that means have been found  
to deal with moonlight visitors, as  
the Zeppelins were countered last  
year. It is true that the condition  
of the sky last night was not alto-  
gether favorable for night flying,  
but the defense by airplanes and  
anti-aircraft guns has been made so  
strong that future raiders will cross  
the coast of England at their own  
peril."The situation combined with the  
continued attacks by army and navy  
fliers on German airfields in Bel-  
gium is expected at any rate to limit  
the activities of the Germans, whose  
only success during the week has  
been the killing of a number of in-  
nocent civilians. Not the slightest  
military damage was done.GENERAL STRIKE  
IN ARGENTINA IS  
DECLARED TODAY

ASSOCIATED PRESS TELEGRAM

Buenos Aires, Argentine, Sept. 29.—A general revolutionary strike  
throughout Argentina was declared  
today by the anarchistic workmen,  
the strike to include all unions be-  
longing to their federation. The so-  
cialistic workmen's unions have re-  
fused to join in the movement.The only street car line in Buenos  
Aires that had not been affected by  
the strike that has been in progress  
in the city was given until 11 o'clock  
tonight to comply with the workers  
demands.COALITION CABINET  
FAVORED BY SLAVS

ASSOCIATED PRESS TELEGRAM

Petrograd, Sept. 29.—The Min-  
erals and the social democrats at  
yesterday's session of the democratic  
congress voted 81 to 77 in favor of  
a coalition cabinet to include rep-  
resentatives of the Bourgeoisie, but  
86 to 81 against the inclusion of  
the constitutional democrats. The  
revolutionary socialists voted in favor  
of a coalition, excluding the con-  
stitutional democrats, 91 to 87.The Bolsheviks and the conserva-  
tives alike will make an effort to-  
morrow toward lining up their  
strength through party conferences.Unusual vigilance was observed  
by the military authorities of Petro-  
grad tonight in connection with the  
congress. The guards at the Winter  
Palace were increased and they  
halted many passersby, as did the  
guards at other government build-  
ings.SCOTT NEARING'S CHURCH  
BARRED FROM BUILDING

ASSOCIATED PRESS TELEGRAM

Toledo, Sept. 29.—Use of the Col-  
lege for meetings of the "peoples  
church," a local organization in  
which Scott Nearing has figured  
prominently, will not be permitted  
in the future. Mrs. James Bradley,  
lessee, today notified Secretary H. J.  
Hass. Future meetings of the  
"church" will be held out of doors.  
Hass announced. The "peoples  
church" is best known as an organi-  
zation of pacifists.

NEW LORD MAYOR

London, Sept. 29.—Charles A.  
Habson, alderman of London and  
member of parliament for the south-  
east division of Cornwall, was elect-  
ed lord mayor of London today. He  
will succeed Sir William Henry  
Dunn.DAYTON BOY FIRST TO WIN FRENCH MEDAL;  
HURLS BOMB INTO RIVER, SAVING MANY

ASSOCIATED PRESS TELEGRAM

Paris, Sept. 29.—The first American soldier to win the war  
Cross with the palm is John McClain, of Dayton, O., says the Paris  
Herald. On the night of September 18, a German airplane flew over  
the village in which he was and dropped several bombs. One fell  
within 15 feet of a building around which some 50 villagers had  
gathered.Notwithstanding the warning ex postulations of those near him, the  
newspaper continues. Private McCain dashed out into the road and  
discovering the bomb with the aid of a pocket electric lamp, picked  
it up and hurled it into the river. The projectile exploded as it  
struck the water. It sent up a column of water and no one was hurt.Private McClain, who is 24 years old, has been in the army for  
four years. He saw service in Mexico.The French authorities have notified his wife, Mrs. Elsie McClain,  
223 Constance Avenue, Peekskill, N. Y., of the honor conferred  
upon him.TOLEDO WILL APPEAL

FOR PRACTICE WORK

ASSOCIATED PRESS TELEGRAM

Toledo, Sept. 29.—If necessary,  
Toledo will appeal direct to Fuel  
Administrator H. A. Garfield, at  
Washington for a supply of coal, it  
was announced today. According to  
an estimate prepared by city officials  
Toledo hospitals, schools and the city  
itself need 26,704 tons of coal in ad-  
dition to the supply on hand."It is probable, should conditions  
warrant that the matter will be taken  
up with the Garfield coal com-  
mission to make provision for the  
transportation of coal from the  
southern fields, not only for lake  
ships but for home consumption," said H. G. Wilson, traffic  
commissioner of the Toledo Com-  
munity Club. "There is plenty of coal  
and plenty of cars for its transporta-  
tion but the solution of the entire  
matter seems to lie in the present  
congestion of traffic."Mr. Wilson stated that the report  
from Columbus that a temporary em-  
bargo on all commodities except coal  
should be declared in order to as-  
sure a prompt movement was un-  
founded and unnecessary.NEW YORK TO HAVE  
4 CORNERED FIGHT  
FOR MAYOR'S JOB

ASSOCIATED PRESS TELEGRAM

New York, Sept. 29.—A four-  
cornered contest for mayor was as-  
sured today when it became virtually  
known that Mayor John Purroy  
Mitchell would make a fight for re-  
election despite his defeat by Wil-  
liam M. Bennett, a former state senator  
for the Republican nomination.Leaders in the Fusion movement,  
which was responsible for the may-  
or's election four years ago, began  
today to make arrangements for the  
campaign for his re-election. Al-  
ready petitions containing the names  
of several thousand voters have been  
certified to and others are in circula-  
tion to place Mayor Mitchell's name  
on the official ballot.

GOVERNOR ASKS  
SENATE TO THROW  
LA FOLLETTE OUTWashington, Sept. 29.—A com-  
munication from the governor of  
Minnesota and the state public safety  
commission requesting the ex-  
pulsion from the senate of Senator  
La Follette of Wisconsin was pre-  
sented in the senate today by Sen-  
ator Kellogg of Minnesota and re-  
ferred by Vice President Marshall to  
the senate privileges and elections  
committee.Senator Kellogg received the com-  
munication, which was adopted by  
the state commission as the result  
of Senator La Follette's recent  
speech at St. Paul. Before present-  
ing it to the senate he conferred  
with Vice President Marshall, Sen-  
ator Martin of Virginia, Democratic  
leader, and Senator Pomeroy of  
Ohio, chairman of the committee to  
which it was referred. Any further  
action will first come from the com-  
mittee. Senator La Follette was not  
in the chamber when the communica-  
tion was presented and there was  
no discussion or other action.Four other communications, one  
from the Washburn Loyalty League  
of Washburn, Wisconsin, and three  
from individuals demanding the im-  
peachment of Senator La Follette  
were reported by Vice President  
Marshall and presented to the sen-  
ate in the usual routine way.Senator Kellogg explained that he  
presented the resolution according  
to the usual practice of all senators  
of filing communications from  
responsible organizations and that  
there was no other significance in  
his action.Characterizing La Follette's speech  
in St. Paul September 20 before the  
Non-Partisan League as "disloyal  
and seditious" the resolution de-  
clares the utterances already have  
served to create treasonable senti-  
ment in Minnesota and petitioned the  
senate to begin proceedings to ex-  
pel La Follette as "a teacher of dis-  
loyalty and sedition," giving aid and  
comfort to our enemies and hindering  
the government in the conduct  
of the war.

Montgomery, Ala., Sept. 29.—Ohio National Guardsmen at Camp  
Sheridan near here yesterday had their first encounter with a tropical  
storm. Many tents were blown down; but quick work saved thou-  
sands of other tents and none of the wooden warehouses, kitchens or  
other buildings was damaged. The camp was flooded by a heavy rain.Reports of damage to crops and  
buildings in west Florida and south  
and central Alabama as a result of  
the West Indian hurricane reached  
here from points to which communica-  
tion lines remained intact. Brew-  
ton, Evergreen, and Atusia, Fla.;  
Dothan, Troy and Ozark, Ala., re-  
ported heavy damage by wind and rain  
and hundreds of small buildings  
blown down. The wind here reached  
55 to 60 miles an hour. No  
casualties have been reported. No  
trains have moved south over the  
Louisville & Nashville Railroad  
since Friday morning, and more than  
500 passengers for points south are  
marooned here.TRENCHES WILL BE BUILT AT INTERVALS  
OF 20, 30, AND 40 FEET AND PROBABLY  
A 50-YARD RANGE WILL BE PROVIDED  
AND THE NATIONAL ARMY SOLDIERS  
OF CAMP SHERMAN WILL BE EXPECTED TO  
DEVELOP BOMBING SO THAT THEY CAN  
THROW THE DUMMY BOMBS FROM THEIR  
OWN TRENCHES TO FIRST, SECOND OR THIRD  
ENEMY TRENCH AND NOT MISS A SHOT.The throwing will be timed to the  
second so that some rare sport along  
with the business of learning the  
game of bomb throwing is in store  
for the men.A TRENCH MORTAR BATTERY IN THE  
ARTILLERY SECTION IS GETTING A TOUCH  
OF WORK IN THE "8-INCH GUNS" EVEN  
THOUGH THE GUNS ARE WOODEN AND  
HOME MADE. BOTH THE LIGHT AND  
HEAVY ARTILLERY RECRUTS ARE TO BE  
STARTED AT GUN MANIPULATION WITHIN  
A WEEK. THEY, LIKE THE INFANTRY-  
MEN, HAVE DEVOTED ALL DRILLING THUS  
FAR TO SQUAD AND COMPANY FOOT WORK

SHERMAN ARE NOW IN ARMY CLOTHES.  
TRUE, SOME ARE WEARING BLUE DENIM  
OVERALLS IN PLACE OF THE Natty, TEG-  
TOP MILITARY BREACHES BUT IT MAKES  
LITTLE DIFFERENCE TO THE MEN. THEY ARE  
BEGINNING TO TAKE CONDITIONS AND  
SURROUNDINGS AS A MATTER OF COURSE,  
LIKE TRUE SOLDIERS.A COMPLETE LIST OF ALIEN ENEMIES IS  
BEING COMPILED AND IMMEDIATE STEPS  
WILL BE TAKEN TO LET THESE MEN OUT OF  
SERVICE. ALIENS WITH "FIRST  
PAPERS" WHO WANT TO BE DISCHARGED  
AND WHO CLAIM EXEMPTION FROM SERVICE  
ARE TO BE LET OUT, BUT HOW MANY  
THERE ARE AT PRESENT HAS NOT YET BEEN  
ASCERTAINED. AT DIVISIONAL HEAD-  
QUARTERS IT WAS SAID THAT THE NUMBER  
WILL RUN WELL INTO THE HUNDREDS.ALL NON-COMMISSIONED OFFICERS, IN-  
CLUDING THE MEN WHO HAVE BEEN  
PICKED AS TEMPORARY CHEVRON WEAR-  
ERS TO AID AS INSTRUCTORS, ARE TO BE  
OUTFITTED WITH "LIBRARIES" FOR NON-  
COMMISSIONED OFFICERS. THE SERIES  
OF HAND-BOOKS WILL BE PURCHASED  
FROM A FUND OF \$10,000, AUTHORIZED  
BY THE DEPARTMENT OF COMMERCE.NON-COMMISSIONED OFFICERS RECENTLY  
SELECTED ARE USING ALL SORTS OF  
METHODS TO LABEL THEMSELVES. SOME  
WEAR HANDKERCHIEFS AROUND THEIR  
NECKS, OTHERS HAVE BEEN GIVEN COLO-  
RED RIBBONS AND A FEW ARE WEARING  
LITTLE BITS OF CLOTH PINNED TO THE  
SLEEVES. THE REGULATION CHEVRONS ARE  
ISSUED TO THE MEN WHEN THEY GET  
THEIR WARRANTS USUALLY, BUT THE CAMP  
SHERMAN SUPPLY HAS BEEN LOST OR DE-  
LAYED IN TRANSIT FROM ONE OF THE

## MRS. F. D. McCauley DIES IN THE EAST; BODY BROUGHT HERE

(Special to The Advocate)

Granville, O., Sept. 29.—Burton Case received a telegram and long-distance telephone message yesterday from F. D. McCauley, Boston, Mass., announcing the death of his wife in that city and the arrival of the funeral party in Granville on Monday at 12 o'clock noon. Burial services will be conducted at the Dunlevy lot in Maple Grove cemetery. Mr. McCauley is the son of Mr. and Mrs. McCauley, whose death occurred a few years ago. Members of the Fassett and Dunlevy families, widely separated in life, all desire to rest together in beautiful Maple Grove cemetery. The Episcopal burial service will be read by Rev. L. P. Franklin, of Trinity church, Newark.

The meeting of the W. C. T. U. at the home of Mrs. J. G. Ewart, Friday afternoon, developed unusual interest, and much business was dispatched, with the president, Mrs. John McLain in the chair. A report from the county convention included the resume of the year's activities of the Granville chapter. In view of their professed beliefs the members present took formal action, repudiating those newspapers which continues to publish liquor propaganda. Miss Abbie Davis read a poem, entitled "Old Glory," and Mrs. Albert Norris read an ably-prepared paper on "How Business Fights Alcohol," which opened with the statement that if prohibition becomes a federal law it will be brought about, mainly, through the uncompromising stand that big business has taken in reference to alcohol as it affects employees. At the close of the program, which was warmly discussed, ice cream and wafers were served by Mrs. Ewart, her daughter, Miss Elizabeth, and her niece, Miss Frances Atkins of Chicago.

Sigma Chi fraternity whose active membership was reduced to eight, by reason of enlistments during last spring and summer, announces the pledging of Corwin Sutton, Attica; H. B. Weiser, Waldo; S. M. McCann, Dayton; W. F. Windle, Bloomington, Ill.; R. H. Schakle, Redfield, S. D.; M. G. Daniels, Pomeroy.

The Women's Foreign Mission Society of the M. E. church will meet at the home of Mrs. L. W. Perry, West Broadway, Tuesday afternoon at 2 o'clock, with Mrs. Wilkin T. Jones as leader of the program.

The music committee of the Bap-

tist church has appointed Prof. E. P. Johnson as choir director, and Miss Laura Price, a conservatory pupil, as organist.

The Granville township Sunday school convention will be held in the Baptist church tomorrow afternoon at 2:30 o'clock. County workers will be present and address the meeting.

C. J. Wright, while driving his Hudson super six to the store, Thursday evening, met with an accident which badly damaged the car, although he escaped uninjured. In approaching the curve at the crossing of the Ohio Electric car tracks where the small stretch of pike is being laid, and keeping his right wheels well off the pavement, his car and the Granville bus came together with inevitable disaster to the lighter car.

At the First Baptist church, Sunday, the pastor, Dr. Millard Bresford, will conduct the morning service. Topic: "The Abiding Life"; at 11:15 a. m., Bible school. Graduation and promotion Sunday for the primary department. At 7 p. m., Rev. Jacob Heinrichs of Rampton, India, recently returned to this country, will give an illustrated lecture, to which all are invited.

Rev. E. D. Barnes will preach for both morning and evening services at the Presbyterian church. At 10 a. m., "Citizenship in Heaven"; at 7 p. m., "The Royal Entertainer."

At St. Luke's church, the seventh Sunday after Trinity, Sunday school at 9:30 a. m.; morning prayer and sermon by Archdeacon J. H. Dodson, at 10 a. m.

Otto Hahn of Cleveland, is visiting at the home of Mr. and Mrs. Thomas Messick.

Mr. and Mrs. David Ogden of Boston, Mass., will spend the coming week as guests of Mrs. Clara M. Ogden at "Oak-deen," Broadway.

Wm. P. Huffman of Dayton, is spending the week-end at the Sigma Chi house.

A. D. Eldridge, who has a daughter in Shepardson College, is visiting the old town over Sunday a guest of Sigma Chi fraternity.

**TESTERS NOT NEEDED  
TO FIND LACK OF LIME.**

Soil testers sold to determine the acidity of soils and how much lime would correct it are unnecessary in a farmer's equipment in the light of tests conducted at the Ohio Agricultural Experiment Station. A few strips of blue litmus paper will answer the same purpose.

While commercial soil testers were found accurate in determining the lack of calcium and magnesium compounds in soils, their cost prohibits their general use. Blue litmus paper, which is sold at drug stores, is considered by the Experiment Station chemists to give the farmer as satisfactory an indication of the need of the soil for lime as can be obtained by any soil tester on the market.

To make this test the blue litmus paper is left in the slightly moistened soil for about half an hour. If the color of the paper changes to red, the soil will be benefited by liming. The intensity of the red color and the rapidity of the color change will indicate somewhat the deficiency of basic compounds in the soil. The color can be observed more distinctly if the paper is doubled before it is inserted in the soil, and the change is then noted on the sides of the paper protected from the soil.

Soils rich in lime would have little tendency to change the color of this paper. They will, however, turn red litmus paper blue.

**TOWNSHIP HEALTH BOARD  
INSPECTS SCHOOL PROPERTY**

M. R. Scott, Dr. J. C. Hornby and Mac Rossman of the Newark township board of health, together with Prof. Zwayer, district superintendent of schools, inspected the schools of Newark township Friday and found them in a highly progressive condition. Everywhere the visitors were received with a happy welcome and entertained instructively by teachers and pupils.

The following constitute Newark township's splendid corps of teachers: Cedar Run, Miss Meyer; Opossum Hollow, Miss McLean; Minnesota, Miss Green; Sharon Valley, Miss Pittsford; Granville Road, Miss Norgel; Cherry Valley, Miss Sharpe; Hall, Holier and Held; Fulton, Mr. Clark; Star Hill, Miss Williams; Prof. Zwayer, the efficient superintendent.

## 'SQUIRE SCOTT ONLY NEWARK MAN WHO HAS VISITED CAMP

Attorney Fletcher S. Scott returned today from a 10 days trip to Alabama and Texas, where he went on legal business. Mr. Scott stopped at New Orleans for a couple of days. On his return from Texas he stopped at Camp Sheridan, near Montgomery, Ala., and spent the day with the Newark men in camp. He was the first Newark man to visit them since the soldier boys left Columbus and they were all pleased to hear from home. A regular reception was held for "Squire" and he told them everything of consequence that had happened since they left. Incidentally he took them out for a fine lunch, which was greatly relished. The Newark boys are all well, but they are working hard and the thermometer hovers around 90 in the shade. The boys all send their best to the "folks back home."

Mr. Scott was forced to take a horseback ride over the hills in Texas, a distance of 40 miles and the same returning. He spent the night with Hillbills in a tavern and states that he discovered mosquitoes fully as large as bumblebees. The only other discomfort suffered was when he awoke to find things creeping over his body and upon investigating found the bed full of ants. Otherwise he enjoyed his trip.

The Liberty-loan campaign will be directed from Chamber of Commerce headquarters as during the recent Red Cross campaign, and the organization created during the Red Cross campaign will be enlisted in obtaining subscriptions to make up Licking county's quota of the loan. The Liberty-loan campaign will be directed particularly to the farmers and residents of the rural districts that they may do their part in a financial way to support the government in financing the war. The county will be divided into townships, with township committees and corps of volunteer salesmen will be formed to sell the bonds which will bear 4 per cent interest and be free from all taxation.

The Liberty-loan campaign will be directed from Chamber of Commerce headquarters as during the recent Red Cross campaign, and the organization created during the Red Cross campaign will be enlisted in obtaining subscriptions to make up Licking county's quota of the loan. The list of slackers from this city, 19 in number, has been turned over to the government agent in this city and they will be arrested as fast as located and taken into custody. They are mostly foreigners and negroes brought here from the south. Nearly all are men who registered and failed to report for examination. In some cases it may be that they did not do so for a lack of knowledge, many of them being ignorant. That, however, does not excuse them and if they have left the city they will be run down by government sleuths and charged with desertion. A reward of \$50 will be paid by the government for all deserters and many of the men will be located. The local government agent is now at work tracing all men failing to report and all who gave their age wrong to the local draft board.

## THE WEATHER

Forecast For Week Beginning

September 30.

(Issued by U. S. Weather Bureau.)

**ASSOCIATED PRESS TELEGRAM**

Washington, Sept. 29.—Weather predictions for the week beginning Sunday, announced by the weather bureau today are:

Ohio valley: Generally fair weather with moderate temperatures.

Region of the Great Lakes: With the exception of rain Sunday over the exception of rain Sunday over the fair, although there is some prospect of unsettled weather toward the end of the week in the northern upper region. Comparatively cool first half. Somewhat warmer second half.

**HOME AND MUSIC.**

Music makes any home a better home. There is something about the harmony of sweet sounds that brings people together—that warms their hearts one to another, and the instrument that gives the fullest expression to our musical instincts, moods and sentiments and brings us the most pleasure is the piano. Tunes of olden days, the sacred religious airs and the rollicking melodies of the present day are all sympathetically rendered on the piano.

A Jesse French piano, or Player Piano will pay for itself a thousand times over in the peace, happiness and contentment it will bring to every member of the family.

The youngster who learns to play in the morning of her life will comfort you in the evening of yours.

Quality first, and first quality.

**GUYNEMER WAS KILLED**

Canadian Army Headquarters, In

France, Sept. 29.—A German airman

brought down wounded and taken

prisoner last night, asserted that

Guynemer, the famous French air

fighter whose fate has been uncer-

tain since he disappeared behind the

Teuton lines, was killed in a battle

with a German airplane. Guynemer

was buried, the prisoner said, just

behind the front line.

IT is the continuous advertiser that grows. A single drop of water on a stone will not make an impression, it takes a continuous dropping of water to wear through the stone and make an impression.

## The Crown of Womanhood

"Guarded for hair cannot be beautiful. There is no part of the human makeup so reverend as the hair. It cries out: Look at me, care for me, or I will disgrace you! Treat me with consideration and I will be a glory to you."

With the above words, Lillian Russell, an unquestioned authority on female attractiveness, places no uncertain value on nice hair as a beauty asset. Unkempt, unclean for hair not only cannot be attractive but is actually a disgrace.

But why have ill-kept, untidy hair? By devoting a few moments regularly to brushing and intelligent application of NEWBRO'S HERPICIDE the hair may be made to yield wonderful returns in increased personal charm.

Dandruff is the direct cause of more hair trouble than anything else. The hair becomes thin, harsh, uneven and falls out in quantities. It looks dead and lifeless; there is no luster. The scalp itches.

HERPICIDE will remove the dandruff which is causing all the trouble.

clean the scalp, give the hair life, snap and luxuriance. The hair stops coming out, the itching ceases almost at once and with there is a most gratifying sense of cleanliness.

To the woman who wishes to make the most of nature's gifts by having fluffy, beautiful hair, NEWBRO'S HERPICIDE is a toilet necessity. It is exquisitely perfumed and is a delightful hair dressing.

In 50c and \$1.00 sizes. At drug stores and beauty goods counters everywhere. Guaranteed by The Herpicide Co.

Applications at the Better Barber Shops and Hair-Dressing Parlors. Send 10 cents for sample bottle and booklet to The Herpicide Co., Dept. S, Detroit, Mich.

She simply covered with complexion! What can I do?

"I don't care, I care nothing, and now, all I hardly care about, is when it gets raining. I simply have to scratch, no matter where I am."

"Don't worry, I'll just get a case of Resinol-Goo and a jar of Resinol ointment. Use them according to directions and I just know you will get smooth-skin, and that your skin will be all right in a few days."

Resinol-Goo is so nicely flesh-colored, it is hard to believe it is a medicated ointment. Resinol Ointment and Resinol Goo are sold by all druggists.

The members of the Tuesday Afternoon Bridge club will be entertained on Thursday afternoon of next week at the home of Mrs. Charles Kehlberger in Indiana street.

**Baughman—Powell.**  
Simple but impressive was the ceremony which united in marriage Mrs. Mary E. Powell and Mr. Eckley Baughman at the home of the bridegroom's daughter, Mrs. O. J. Brownfield, Friday evening in the presence of about fifty guests.

At 8:30 the wedding march was played by Mrs. Charles Haldeman, daughter of the bridegroom. They were attended by Mrs. O. J. Brownfield and Mr. Walter K. Powell. The parlor was beautifully decorated with asters and ferns, where Rev. James Brush read the ring ceremony.

The bride is formerly of Detroit, which while the bridegroom is a painter and carpenter.

Mr. and Mrs. Baughman will be at home at 18 Sixteenth street. There were a number of Newark guests present at the wedding.

Mrs. Edwin Haughey of 100 North Fourth street is quietly celebrating her eighty-fourth birthday anniversary today. She is enjoying her usual good health.

## BEAUTIFUL LINES.

The Kind of Fall Suit You Will Need For Style.

### JUST HOW TO MAKE IT FROM UNMARKETABLE SPUDS.

Brown and otherwise unmarketable potatoes may be used in making potato starch, a very desirable and healthful food.

Potato starch can be used in many ways for food purposes—in making salads, puddings, milk dishes, etc. In every potato section of the country thousands of bushels of potatoes are wasted every year which could just as well be utilized in making potato starch.

Use plenty of water and a vegetable scrubbing brush in washing the potatoes. Seat yourself in a convenient position with a vessel containing potatoes at one side and an empty vessel for the gratings on the other. Place a dishpan with grater on a low table and, without removing the skins, grate your potatoes by hand or run them through the sausage grinder. Empty gratings into second tub or vessel.

Over the gratings pour clean water. Stir well, so as to saturate every particle of the potatoes. Allow to stand for a little time and then remove the peeling and other floating material from the top of the water. Stir again, add a little more clear water and allow the same to stand for several hours or overnight. The starch granules will settle to the bottom, and all pulp and potato skins will rise to the top of the water or settle on top of the starch granules. Remove the water carefully, also the pulp and skins. Scrape the dark coat off the top of the starch formation, being careful not to remove any of the starch.

A second time pour fresh clean water over the starch. Stir thoroughly. Allow to stand for several hours or overnight. Remove water and pulp as before and add another application of water. Continue this as often as necessary to render your starch perfectly white and free, not only from the pulp, but from all sand or sediment of any kind which is not pure starch.

This operation can be abbreviated by rinsing the first time and then straining the pulp, starch and water through cheesecloth or cloth of finer mesh.—National Emergency Food Garden Commission.

### Be Decisive!

It is a rare woman who has the capacity to decide a thing swiftly and then unswervingly carry out her decision.

Knowing it is a weakness of the sex, it is strange that girls are not taught from childhood to make up their minds quickly. If they were the world would be spared numberless inefficient and ineffectual women.

The average woman really suffers in making up her mind about an important matter, and more often than not when she has got it safely made up with her family and friends are right with relief because the ordeal is over. They are called upon to make it up for her again.

It is not difficult to train a girl in the habit of decision, and it will be a comfort for a mother to know that if fate has decreed that her daughter must live a life bereft of the support of family and friends she can make her decision clearly, no matter by what strange paths it may lead her, and live it unflinchingly.

You never can tell. Many a man who studies to please expends most of his efforts on himself.

### WHAT OHIO CLUB WOMEN ARE DOING

Mrs. Prentiss E. Rood, Director of Press.

The twenty-second annual convention of the Ohio Federation of Women's clubs will be held at Akron, October 16 to 19.

The chairman of the Akron executive committee writes: "Our women are all very enthusiastic about it, and we look forward with pleasure to having such a representative body of women in our city."

Nothing has been left undone to make the meeting helpful as well as entertaining. Now it only remains for Ohio clubwomen to show their appreciation and loyalty by attending.

All who are expecting to attend the convention should make their reservation early, as Akron is known as "The City of Standing Room Only."

A Personal Letter From the President.

The following letter has been sent to the president of each city federation club in the state.

It will be read (or should be) at the first regular meeting of every organization. It is earnestly desired that it will meet with a ready response.

Dear Madam President—May I urge you to attend the coming state convention and to make a special effort to influence the members of your club to attend?

"The thought has been advanced that women are too engrossed with war-time activities to take time to attend this convention. I believe that the majority of thinking women consider that this is a great mistake.

This convention is war service.

Of most vital importance, during the period of the war is the maintenance of existing social service agencies. No other woman's organization has played such an active part in the establishment and maintenance of social service agencies as the Federation of Women's clubs. Our departments of work thoroughly cover the social, civic and intellectual needs of society and upon them rests the heavy responsibility of helping to maintain these social service agencies, the very bulwarks of society in this critical period in the history of our civilization. We must not allow any of the work which we have undertaken to lapse.

"Has there ever been a convention more needed than at this perilous time in national affairs? The keynote of the convention will be patriotism. We need the inspiration, we need the information which will radiate from this convention to carry us through the stress and strain of the coming year—to be our beacon light in the dark days which may be before us. We need this inspiration

and information to help us to preserve those inner defenses of our national life, both material and spiritual which, if allowed to weaken must weaken the entire nation's strength; we need this inspiration and information to keep our lives steady, normal and sane, that we may cultivate and attain a spirit of cheerful courage, a patriotic co-operation and a high resolve.

"Dear fellow worker, you cannot afford to miss this convention if it is possible for you to attend. Let us come to this convention with an open mind, with an earnest, consecrated spirit.

"Fraternally and faithfully yours, Mrs. George Zimmerman, President Ohio Federation Women's Clubs."

Baby Week Reports. There is no doubt that splendid work was done during baby week in Ohio, but not all localities have reported. The following questions answered and sent to Dr. Josephine L. Peirce of Lima, will greatly facilitate matters for her in preparing her report for the convention:

1—Give name and address of your public health chairman or health worker.

2—Did your city observe baby week?

(a) Was a birth registration test made?

(b) Did you hold any baby conferences?

(c) What other special features?

(d) Has any "follow-up" work resulted?

(e) Have you reported the birth registration test and other baby week activities to federal children's bureau, Washington, D. C.? If not, do so at once.

(f) Have you infant welfare stations?

(g) As a war measure, will you make special effort to protest the

dependent children of soldiers as well as to increase all preventative work for the infant and material welfare in your community?

A Distinctive Honor. The general Federation of Women's clubs is the only woman's organization represented on the National Library War Council or which Mrs. Josiah Evans Cowles, president of the general Federation of Women's clubs, is a member.

A state war library committee has been appointed which will have the same weight and influence in the state that the national war library committee has in the nation.

Disease does not, as a rule, lodge in a well cleansed system. The cleansed system is the first step towards good looks. If you eat regularly and sleep regularly and keep your excretory organs working you will keep the poison out of your system. The glass of hot water and lemon as a morning drink will lessen the tendency to colds.

Deep breathing in front of an open window every day is one of the best aids to fighting off colds as well as to give you a clear complexion, and ruddy skin, well rounded throat and deep chest. If colds are doing all the work they should, your blood is pure and your circulation is better.

Keep clean, outside and in. Take your baths regularly, drink lemonade and water, and eat food that is simple and nutritious. You will improve in looks while your neighbors are suffering and sniffling and coughing. And when you have to be where such ones are, don't think about sharing their misfortunes, for colds are misfortunes. Think of something pleasant. When you get the chance fortify yourself with some pure air and a drink of pure water. And remember that a cold just as well as it will make wrinkles.

### Milady's Boudoir

Colds make beauty not only impossible, but about three-quarters of them might be avoided if every woman made up her mind that colds were foolish things to have and therefore not worth wasting time over. Colds will undo weeks of beautifying and if you wish to look and feel your best, you must stop catching colds and make it difficult for colds to catch you.

## AMUSEMENTS

GRAND  
EARL WILLIAMS  
An extraordinary night fire scene, showing the firemen fighting the flames effecting the rescue of a woman trapped on one of the upper floors of the building, is one of the thrilling episodes in "The Maelstrom," a Vitagraph Blue Ribbon feature which will be presented at the Grand theater Monday and Tuesday.

A band of crooks, cornered in their room by the police, set fire to the building to cover their flight. At the time there are in the house a half dozen police officers, a girl, her dying brother and her suitor. The criminals saturate the staircase with oil and apply the flame to the oil to effect the escape of their pursuers. All appears to be doomed, but the arrival of the fire apparatus and the quick raising of the ladders enables the trapped people to escape.

All get out but the girl, who stays in the hope of saving her brother. A fireman goes up the ladder to get her, but just as the head shows at the window, the frantic girl pushes the ladder over and the would-be rescuer is sent crashing to the ground. At the moment the

ladders enable the trapped people to escape.

The Crescent Harmony Four, a singing organization of Newark, at a big salary will render several song hits that should prove part of the enjoyable entertainment. Owing to the large crowds that visit this theater it would be advisable for those who expect to

see the picture to get to the theater early and avoid the crowds.

"Our Boys Drafted." "Our Boys Drafted for the War," that is 40 per cent who left on Thursday, is one of the grand demonstration given in their honor with shows on the screen at the Auditorium next Monday, Tuesday and Wednesday in connection with the big Artcraft feature, "Seven Keys to Baldpate." Mr. Pender has arranged with him to take the incidents connected with this big day, a day that will go down in Newark annals as one of the most memorable and impressive sights ever seen and as one to be remembered. It is said that fully 10,000 persons were on the court house grounds during these impressive services when cheers and good will, with medals etc., were given to the boys, who are to become part of the greatest fighting machine ever made. A machine that is going to make its self felt when it lands on the fighting grounds. This picture made by the Auditorium management at a great cost shows the principal scenes of the day, the scenes at the parade, the scholars, Rotary club, the drafted boys as they are entering the train and many other events that will be long remembered by Newark. Owing to the fact that the cost of this picture was high and being seen with the big Artcraft \$100 a day feature, Manager Pender is forced to raise the price to 15 cents. The matinee price will remain the same, that is, 10 cents to all.

"Lost in Transit." George Beban, the Italian impersonator

brother, homeless, shoots himself and the girl swoons. Her suitor, played by Earle Williams, dashes up another ladder and enters the blazing room. He picks up the unconscious form of the girl and carries her to safety.

The picture is one of the most realistic fire pictures the screen has yet produced and is a remarkable example of night photography.

AUDITORIUM. "Our Boys Minstrels Tonight."

The Neil O'Brien minstrels will be the attraction at the Auditorium to-night. Mr. O'Brien, himself, recognized as a great black-face comedian, has been surrounded for the coming season, by his manager, Oscar F. Hodge, with a company of 12 boys, a girl and a manager that none more pretentious has ever been gotten together. It is promised that in addition to some of the old favorites of previous years, many new faces will be in evidence, and that there will be a special feature in the coming performance an old joke or an old song, and that the equipment as to scenery and costumes is wholly new.

NEWARK FISHERMEN AND GUESTS HEAD  
FAVORITE SPORT DISCUSSED BY EXPERTS

Newark, Licking county and Ohio sportsmen broke bread last night at the banquet which marked the closing of the annual convention of the League of Ohio Sportsmen and the fishermen's tournament which has provided entertainment for the red-blooded and warm-hearted lovers of the great out doors for the past two days.

The event last night at the Masonic Temple was marked by the best of good fellowship and cordiality. More than fifty were seated at the banquet tables. They included visiting and local sportsmen with their wives and sweethearts.

W. W. Gard acted as toastmaster and introduced a number of speakers who talked on matters of interest to sportsmen.

Attorney A. A. Stasel spoke on "The Depiction of Licking County Streams," telling of the splendid fishing afforded in local waters in years past. He declared that it was difficult now to land a bass in the county streams and denied that it was due either to seining or dynamiting. He said the bass was a game fish and like any other wary game, left its native haunts when pursued by man.

Mr. Stasel paid tribute to the late W. B. Sargent who, he said, was the master fisherman of the city and county. He told of the individual efforts of Mr. Sargent to replenish the stock of fish in the county streams and of his interest in the preservation of this sport for future generations.

Then F. Gilmore of Columbus was introduced by Mr. Gard as the man who spoke the language of the bass. Mr. Gilmore gave an interesting and instructive talk on "The Characteristics of the Bass." He said there were only two distinct species of bass, the large and small mouth, and that all the other alleged species were either one or the other, with names either colloquial or localized by reason of markings due to water or climatic conditions.

By use of a crayon, he illustrated the two kinds of bass and described the characteristics by which they could be recognized. He also spoke of their habits and haunts. Other speakers were the new president, J. F. Atwood, "Bill" Greene of Cincinnati, and George H. Mosser of the Chamber of Commerce. Telegrams of regret were read from Dr. Kergan of the state board of agriculture and I. S. Myers, president of the Summit County Sportsmen's organization and president of the state board of agriculture.

As for the menu served at the banquet it might be said that if Herber Hoover, food administrator and conservator, ever hears of the "Sister" Sander, it is the Universal star, Miss Betty Shae, in a Gold Seal feature in three great parts, "A Wife's Suspicion," "And on Monday," will be seen at the Auditorium in Newark, in "The Man From Painted Post." This is the first time that such a collection of cowboy champions have ever been assembled for a

motion picture. The smiling Douglas is here seen congratulating Sam Brownell, champion bucking broncho rider of the world, upon his victory over his many opponents. Brownell discloses some of his best stunts in the Fairbanks film, just finished on a ranch in Wyoming.

rate ever offered with a road attraction.

A company of forty people, headed by Harvey and Harold Orr, two comedians who are well known to theater goers, are to appear in Newark Saturday. This new offering has attained.

It will be the attraction at the Auditorium next Saturday and lovers of clean, up to date musical comedy will be given a real treat.

**Hovey's Pictures.**

A new, animated world-wide diary will take patrons of Lyman H. Hovey's Travel Festival at the Auditorium soon far afield and induce forgetfulness of daily trials and routine by revealing scenes of travel in their most fascinating moods. Among such may be mentioned pictorial excursions to the gorges, cascades and ruins of Southern France, to the highest Alpine aitudes and a ride over our own Dixie, via the scenic mountains in Washington. Each of these three subjects is a masterpiece in its own distinctive way. The first is notable alike for the exquisite colors of the animation, reproduced with amazing fidelity, as well as for the compelling beauty of the scenes themselves. The grandeur of the Alpine film seems almost supernatural, and a trip through our own mountain land in the great northwest is intensely interesting because of the great diversity of scenes disclosed at every turn. America, too, contributes two other remarkable films to Mr. Hovey's program. The first, "The Man From Maine," the thrilling episodes that occurred during a record bronco-breaking contest in our real wild west. By authority and with the co-operation of the U. S. navy department, Mr. Hovey will also present the official and exclusive portrayal from "Somewhere in the Atlantic" of Uncle Sam's new navy, including startling scenes of "salvoes" by night and the latest developments in methods of defense and attack in air and sea. Closely related to this feature is another which shows midshipmen at the U. S. naval academy at Annapolis are trained to become officers of the fleet, free from interest and with these and many other absorbing scenes numerous animated cartoons will merrily satirize the more serious subjects by their quaint, clever and inimitable antics.

IN SUNDAY'S GAME;  
PLAY STARTS 2:30

Referee Koblen will conduct the whole which will start at 1:30 p. m. this afternoon at 2:30 o'clock at Weir Park when the Fitzsimmons team of Newark meets the famous Pan Handle eleven of Columbus. The game marks the opening of the 100th year in the park. Dr. Earl Russell will act as head linesman.

The Pan Handle team, famous by reason of the six Nesser brothers who have been in the game, the first to play the most noted team which has ever appeared in Newark, its names have been played with such teams as the professionals, footballers of Canton, Massillon and Cleveland, and have gone out of the state to find opposition.

The Fitzsimmons team practices Sunday morning for the final work out before the game. Weir Park has been put in good shape for the football season.

## Doctor Tells How To Strengthen Eyesight 50 per cent In One Week's Time in Many Instances

A. Free Prescription You Can Have  
Filled and Use at Home

Philadelphia, Pa. Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses. I had my eyes do not see any more. At night they would pain dreadfully; now they feel fine all the time. It was like a new life to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and ultimately more will be able to strengthen their eyes so as to be spared the trouble.

T. J. Evans and other druggists.

and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following these simple rules. Here is the prescription: Go to an active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eye two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

Note: Another prominent Physician to whom I have given this "Bon-Opto" prescription is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The man who guarantees it to strengthen eyesight claims it is a sure and inexpensive cure or refund the money. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand for regular use in almost every family. It is sold in this city by

T. J. Evans and other druggists.

### Y. W. C. A. Notes

Last Monday evening, representatives from two of the industrial clubs met in the association building and a good time was enjoyed. Mrs. Chad F. Lender entertained with readings from Riley and Dunbar. Plans were enthusiastically made for various classes. Mrs. Fant has kindly consented to teach those who desire to knit. Miss Huston will have a class in home making and for the last hour, from 9 to 10, will have a class in gym work. Other classes will be formed as there is any demand. Monday night is set apart for the industrial girl's club work, and the association is anxious that all girls who desire, will avail themselves of the opportunities offered.

The millinery class under the direction of Miss Keim, met for the first time last Monday evening. Every Monday evening, she will meet any one interested in hat making.

Don't forget Thursday evening, October 4. A splendid musical under the direction of Mrs. Mary Mortley Hays, will be given in the Y. W. C. A. gymnasium, beginning at 7:30 o'clock. Members and friends who wish to enjoy a real treat in music are cordially invited. No admission fee will be charged.

Friday evening, October 5, is set aside for our junior membership party. All members under 18 are invited. An evening of real fun is promised, with Miss Thora McDonald and Miss Laura Blane in charge.

Tuesday evening, October 9, at 7 o'clock, the business girls gym class will begin work, under the direction of Miss Atwell of Denison University. A number of girls have already signified their desire to get into these classes, which will meet twice a week, on Tuesday and Thursday evenings. Any information can be obtained at the association office.

Saturday morning, October 13, the children's classes will start under the supervision of Miss Huston. Miss Huston has had special training along this line and the Association feels especially fortunate in being able to obtain her services. From 9 to 10, girls of ten and under, will meet; from 10 to 11, girls over 10. The fee is very small, and the girls are urged to avail themselves of this opportunity.

Certificates for the first aid work and examination given last spring are at the office and can be obtained at any time from the secretaries.

The executive committee of the business girls' Bible class met in the association lobby this week, to plan for the class work during the coming winter. They expressed great regret that, for the present, Mrs. Evans is unable to continue in the work. Arthur E. Crowley, as teacher, will meet with the class on Tuesday evening, October 2. A ten cent lunch will be served at 5:30. The class hour will be from 6 to 7.

A letter was received the past week by Mrs. Fred Evans, from Ruth Fraser, daughter of W. W. Fraser, formerly of Newark. She has gone to China in Y. W. C. A. secretarial work. She reports a safe journey and tells of the great opportunities which face the Y. W. C. A. among the young women of China.

Gifts of vegetables have again been received this week from Mrs. Webb and from Mrs. Windle. Mrs. Windle has come a half bushel of tomatoes, which were raised in a school garden by her son Leland. Many thanks from the association home.

### Y. M. C. A. Notes

Constantine Demos, who has made the "Y" his home for some time takes his leave this week. Those who have become acquainted with him will miss his presence in the lobby, where he won renown as a chess and checker-player. Mr. Demos is an engineer in the employ of a Columbus firm. He holds degrees from a Constantinople college and from Ohio State.

Taylor Hall has become the rendezvous for local songsters on Tuesday evenings. The Community Music club has been meeting at that time and making the night happy with song.

The junior gymnasium boys have seasonable names for their teams: Troopers, Airmen, Gancers, and Doushboys. The Cadet group are not a whit behind, as the following names testify: Sammies, Middies, Eagles, and Liberty Boys.

The boys hike last Saturday was a success. A large crowd spent the day on the hills near Dagway, and a very small fraction of the day in the cool waters of the creek. The water was a degree too cold to make a regular old-fashioned swim out of it.

John Hundley, junior at Denison, Beta Theta Pi, will serve behind the counter for a period of time. This will release two of the

boys for some outside work. It is very necessary at this time.

Charles Allen and Russell Tharp are planning a trip to the Chillicothe cantonment to visit Mr. Johnson. If you have a message, send it with them.

The association is making a drive on the outstanding pledges made to the Y. M. C. A. war work fund. If you were a generous subscriber, be a good check-writer.

The Y. M. C. A. is proud of its football squad; the association claims them if they do wear the high school letter, as almost the entire team belongs to the association. Eighty to 90 is fine work.

## Lodges

### K. OF P.

Newark Lodge No. 13 met Thursday evening with a very good attendance and while there was no degree work done at this meeting everybody seemed to enjoy it. One new application was received and referred to the proper committee. The sick members are improving. On October 11 the page rank will be conferred on a large class of candidates and the lesson of friendship will be exemplified in connection with the work which is something new for Newark lodge. Every member that can should come out to witness the work.

### Roland Lodge

The meeting this week did not consume more than 90 minutes as there was no degree work. A number of matters pertaining to the "good of the order" were discussed and some of them disposed of. At the session next Tuesday evening we will probably hear reports about the others. Several plans are on foot for the entertainment of the brethren during the fall and winter months. In addition we are always looking to the upbuilding of our lodge, both numerically and fraternally. There is always room for more members at our meetings and you are urged to attend and help solve some of the problems. A class of candidates will be initiated into the mysteries of the Fage rank next Tuesday evening.

### I. O. O. F.

Canton Olive, No. 90, was recently entertained last Wednesday evening by the ladies auxiliary of the Canton. Nearly the entire Canton and ladies were present. After an evening of amusement the ladies served refreshments. The Canton presented Capt. L. L. Shannon with a hand-some leather upholstered rocker. The next meeting will be held Oct. 10, and on Oct. 24 the ladies will again entertain the canton.

### Olive Branch Lodge

Olive Branch Lodge met Tuesday evening with a good attendance. After the regular business was transacted the members enjoyed a good social session. Rev. A. B. Cox gave a most interesting talk on Odd Fellowship and those who were not there missed a treat. Refreshments were served. Things are beginning to brighten up. One application was received for membership and others are expected.

### Newark Lodge

Last Monday Newark Lodge held an excellent meeting with a fine attendance. Next Monday is homecoming night. All Odd Fellows are invited to meet with us on this occasion. The committee has arranged an interesting program. The third degree will be conferred. The committee also states that there will be a light lunch.

### W. R. A. O. T. M.

White Carnation Review met Wednesday afternoon with a good attendance. Plans have been made to have a home coming at the next meeting, commemorating the dedication of the new MacCaffee Temple and the 25th anniversary of the Order. Roll call of members will be held. A fine program has been arranged and refreshments will be served.

### COURT OF HONOR.

Newark District Court of Honor met Tuesday evening. After routine business the election of officers was taken up and the following officers were elected for one year: Chancellor, Robert F. Huffman; vice chancellor, Ella V. Lynn; recorder, M. L. Redman; chaplain, Maggie Bowers; conductor, Martha Odgen; guard, A. E. Grimm; sentinel, G. L
